Filing Description:

We respectfully submit the enclosed pages so you can maintain an up-to-date version of our Agent's Rate Manual. This distribution includes collision rating group (GRG), comprehensive rating group (DRG), vehicle safety discount (VSD), and liability rating group (LRG) designations for additional 2011 and 2012 models for which we now have the manufacturer's suggested retail price information. These GRG, DRG, VSD, and LRG designations have been determined based on the procedure previously filed with your department and implemented in accordance with the rating laws of your state.

Sincerely,
