### Filing Description:

We respectfully submit the enclosed automobile rate manual pages to comply with our filings dated January 21, 2000 as amended by our July 8, 2010 filing (GRG and DRG), March 16, 2000 (VSD), and February 6, 2004 (LRG). These pages contain Collision Rating Group (GRG), Comprehensive Rating Group (DRG), Vehicle Safety Discount (VSD), and Liability Rating Group (LRG) designations for use in determining collision, comprehensive, medical payments, and liability coverage premiums, respectively. Please replace your current manual pages with these pages.

The distribution contains GRG, DRG, VSD, and LRG designations effective January 1, 2013 for 2006 through 2012 models reflecting the latest review of our loss experience for each model. GRG, DRG, VSD, and LRG designations for additional 2013 models for which we now have the manufacturer's information are also included.

Sincerely,

David L. Menning, F.C.A.S., MAAA, CPCU
